

COVID -19

THE SURGERY WILL BE OPEN TO PROVIDE A NORMAL SERVICE (AS FAR AS IS POSSIBLE) FOR PETS AND CLIENTS. FOR THOSE CLIENTS WHO ARE SELF-ISOLATING OR ARE INFECTED WITH COVID-19, IF YOUR PET IS UNWELL PLEASE **PHONE** US RATHER THAN COMING STRAIGHT IN TO THE SURGERY. FRIENDS AND NEIGHBOURS MAY BE ABLE TO BRING PETS TO US OR WE MAY BE ABLE TO DO TELEPHONE/VIDEO/FACE-TIME CONSULTATIONS WHERE NECESSARY.

IN THE UNLIKELY EVENT THAT WE HAVE TO SHUT DOWN COMPLETELY, TELEPHONE HELP AND/OR A COMPREHENSIVE MESSAGE WILL BE AVAILABLE ON THE ANSWERPHONE SO IT IS IMPORTANT TO **PHONE**. THERE IS NO EVIDENCE TO DATE THAT COVID-19 CAN BE SPREAD FROM PETS TO HUMANS. WE WILL KEEP YOU INFORMED OF ANY FURTHER VETERINARY ADVICE IF THINGS CHANGE.
